

Todmorden High School

Come join us! We champion our whole school values which are

AMBITION, RESPECT, CARE AND HONESTY

We are a recently inspected GOOD school. We are located in the beautiful Todmorden valley. We're a thriving comprehensive school for 11 to 16-year-olds with 900 pupils.

Ofsted 2020 - Todmorden High School is a welcoming and friendly school. Pupils enjoy coming to school because they feel safe and they learn a lot. Pupils get on well with their teachers and enjoy good relationships. Pupils know that there is always someone who will help them if they have any concerns.

Governor

Do you have what it takes to be a School Governor?

Todmorden High School has a great opportunity to join our Community as our next School Governor.

Our School is directed by a Board of Governors, who have the experience and abilities relevant to the strategic management of a £5.7M enterprise, employing over 120 staff.

School governors are members of the community served by the School, who volunteer their senior level experience and skills for public benefit. Working as part of a team, Governors are responsible for: the educational character and mission of the School; ensuring proper use of school resources; and the Safeguarding of its assets. Governors are committed to the value of lifelong learning; the promotion of equality and diversity; and maintaining educational standards.

The Governing Body seek someone with a sense of community and a firm belief in the highest standards of public service; welcoming applications from members of the local business community and all sectors it serves.

Experience in the following areas are highly sought after for this role: Education, Law and Governance.

Please note that as governors are volunteers, this is an unpaid position, but travel expenses for attendance at meetings may be claimed. Governors usually attend around eight evening meetings a year and in addition, seasonal events.

For an information pack or to discuss informally how you could contribute to the life of a flourishing and dynamic institution and take a significant step in your own professional development,
