Dear Parents and Carers,

Please find attached the latest guidance from ofqual regarding your GCSE examinations this summer.

There is no further requirement to complete additional work or mock examinations. However, if you have completed work over the last two weeks that you have not yet sent in please still send this to your class teacher by 10th April 2020.

We would advise you to use the rest of this term to focus on preparing for your next step and we will offer further guidance next week on this.

Staff will not share any grades with students, please do not ask for these.

Should you wish to ask any questions, please contact myself on a.coates@todhigh.co.uk. I will be on email and working over the Easter period.

Yours sincerely,

Mrs Coates
