

05/01/2020

Dear Parents,

After Boris Johnson's announcement yesterday Todmorden High School will be closed until February half term, meaning unless we are instructed otherwise, children should return on February 22nd. This is by no means for certain and we will keep in constant touch with any updates. School is open for the children of critical workers and those invited in, see my previous letter or contact Mrs Pickles.

I have spoken to all the children this morning in assemblies about the remote learning and the importance of keeping up with the work set. It is now mandatory that children complete the remote learning activities, and this will be tracked by the school.

If you need help with the technology let school know.

Year 10 BTECs will go ahead as planned. The mocks will be delayed, again we will let you know.

As updates come out regarding GCSEs, we will let you know.

We will be in touch regarding your child's welfare and how you and your family are doing. In the meantime, do not hesitate to contact us if there is anything at all we can do to support your family- school is not just about setting and completing work we are here to help and support.

Every good wish to you and your family,

Gill Shirt
Headteacher
